The IU Natatorium is denoted on map as PE

## **Spectators / Coaches / Officials**

Parking will be available in the attached Sport Complex Parking Garage (XD on the map & 7' clearance) at \$4 per day OR an event pass will be available for purchase in the main concourse for \$16 (with 1<sup>st</sup> garage entrance receipt; only \$12 will be due). Overflow parking will be in the SURFACE lot (86 on the map) just east of the Sport Complex Garage (XD) at same pricing above.

## **Volunteers**

FREE Parking will be available at the Vermont Street Garage (XB on the map & 6'10") which is north and west of the Natatorium (a few blocks walk). After your volunteer session, you will need to check out at the volunteer desk (or with the meet referee if you are an official; the Head Timer if you are a timer) to receive your voucher to exit the garage without payment.

## **Team Buses**

Buses may park at Lot 85 or Lot 69 with a valid parking permit. Teams traveling by bus need to contact Lynn Kinstler ([lynn@inswimming.org](mailto:lynn@inswimming.org)) to request bus permit(s). The fee for those will be sent to you upon request. Bus Pass pickup will be available at Team Registration Check-in on Wednesday.

Teams **MUST** drop off and pick up teams on University Blvd on the **WEST** side of the Natatorium. Please **DO NOT** use the loading zone area at the south and east sides of the Natatorium for this process.
